 Primary Examiner, Art Unit 2432

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner proposed amending claim 30 to include the step of "using, by the security apparatus, new information on vulnerabilities and exposures to handle new application sessions for the application and continuing to use old information on vulnerabilities and exposures to handle existing application sessions for the application" and to remove the last two steps from claim 30 and make the removed steps part of new dependent claim 45. Mr. Heyman agreed to the proposed amendments.
